

C.J.S. LOVES Volunteers!

As we believe that family and community members play an important role in the education of our students, we encourage you to volunteer in our school. Volunteering benefits students' learning and strengthens the ties between home, school, and community. We appreciate your willingness to share your time and talents with us, and we hope that you will find your volunteer experience enjoyable and worthwhile. There are many ways to lend a hand and make a positive difference!

Please contact your child's teacher to discuss volunteering opportunities!

Volunteers are asked to:

- sign-in and out at the office during each visit;
- work under the direct supervision of the teacher;
- be aware that student discipline is the responsibility of school staff;
- respect student and staff confidentiality at all times;
- support and encourage our “KINDNESS COUNTS” philosophy and C.J.S. Code of Conduct.
