

CJ Schurter School

Message from Mrs. Colville

June is a very busy month with so many things wrapping up, as well as many field trips and events that help support our students learning. Please be sure to check your child's monthly calendar from their teacher for any important dates coming up. It has been a very busy school year. There are many things for us to reflect upon and celebrate. Our students have made great growth in their learning in literacy and numeracy. This year we continued to focus on our values of - Kindness, Courage, Relationships and Joy. Our monthly citizenship assemblies have helped to support learning more about our values. We are very proud of all the growth we have seen from every student.

Re-registration Forms:

Thank you to all the parents and guardians that have completed re registration forms for the 2026-2027 school year. This helps us know how many students will be attending next year to help us in the planning process with classes, teachers and extra supports. We almost have all registrations forms in. We have received - 294 out of 300 re registration forms. If you still need to register your child and need help please reach out to the school.

Report Cards:

Report cards will be sent home on June 24th, a printed copy will be sent home with your child on the last day of school. Report cards will also be available in the parent portal. If you have any questions or would like to discuss your child's report card, please reach out to their teacher.

Huge Thank You:

First I would like to say thank you to all the parental support we have seen this year. Every month we have many parent volunteers that come to support our students. This included parent readers to support our home reading programs, parents that attend our many field trips, recycling, hot lunch, School Council, parents that come to special person lunches, assemblies and parents that come help for special events at the school. It amazes me everyday as I walk through the halls to see so many caring parents that come help us every day. We could not do it without you. I also want to express my gratefulness to the dedication of all teachers and support staff at CJS. Our staff goes above and beyond every day to ensure that everything is ready to support your child's learning. They have put in many long hours to ensure every student's needs are met. They spend extra time planning and preparing materials to keep your child engaged everyday.

As we enter the last month of school, please remember attendance still matters as we finish up things up for the school year. If you have any questions about the end of this school year or about next year, please give me a call. I would love to hear from you.

Crystal Colville
Principal

Congratulations to Mrs. LaFrance on her retirement!

Mrs. LaFrance's entire educational career took place in CJ Schurter School. She was educated as a child there and taught her entire career at CJS. She had an incredible career and taught hundreds of kids how to read and love school.

She will be greatly missed at CJS!!!

Congratulations!

School Information

Kindness Club News

This month in the Kindness Club, we have been focused on courage. In our meeting, we talked about what courage means, and practiced showing courage with a little game called “Courage in a Cup”, where students picked a prompt paper (ex, run on the spot like you are racing a cheetah) and completed the prompt, followed by cheers and claps from the audience. School wide, we created a Courage Board filled with courageous prompts. All through the month, students have picked prompts from the board to complete, adding their name to a draw to win a prize! We are learning that courage does not always have to be done in big, bold, ways, and is just as important during the small moments of life.

Hello dear CJS families,

As we enter the month of June, the wellness classroom will focus on celebrating growth, kindness, and resilience throughout the school year. June is often an exciting month filled with changes, celebrations, and transitions, but it can also bring mixed emotions for children as routines begin to change and the school year comes to an end.

This month, students will continue learning strategies to support their emotional wellbeing, including:

- recognizing and talking about feelings
- practicing gratitude and positive thinking
- using calming tools when feeling overwhelmed
- celebrating personal strengths and accomplishments
- learning ways to stay connected and kind to others

This month, students will also participate in a Kindness Quest! Students will be encouraged to complete small acts of kindness at school, at home, and in their community. I will send a Bingo card with Kindness acts to complete at home, please sign it when your child completes a task properly. Send it back to school by June 18th, the class with the most points will be the winner of a class prize!

Acts of kindness help build empathy, strengthen relationships, and support positive mental health.

Thank you for your continued support throughout the school year. Wishing all our families a joyful, safe, and restful summer!

Warm regards,
Mrs. Cristabel

Library News

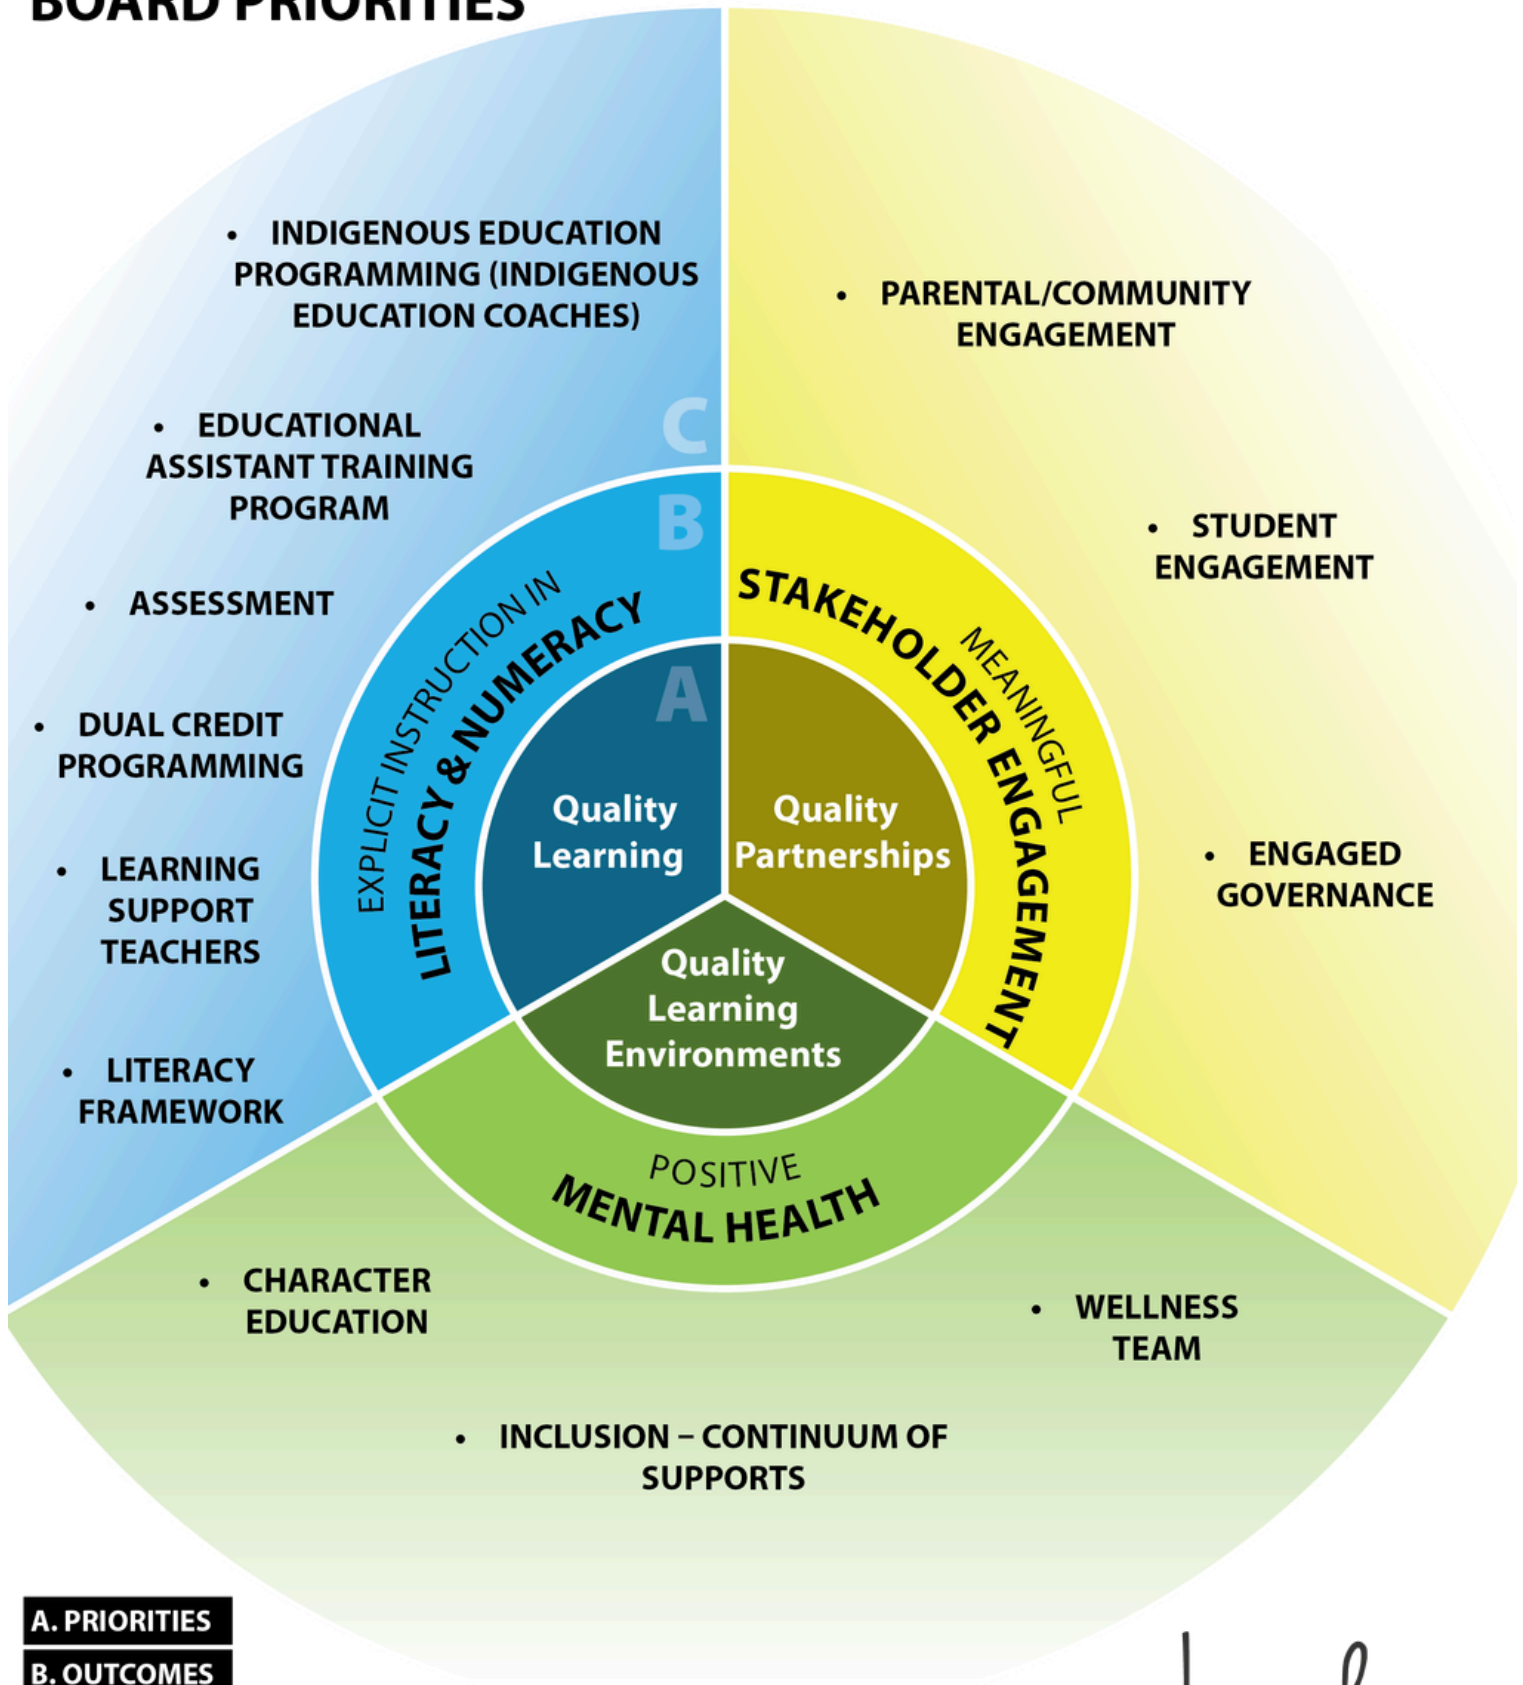

Another year of amazing library adventures is quickly coming to an end. The last borrowing day for students is June 3 and all books need to be returned by June 12.

Fun fact: This is an inventory year in the library. There are approximately 11,000 books, 500 teacher resources and hundreds of chromebooks and iPads that need to be scanned and accounted for.

If you are looking for great books to read over the summer, check out the public library. SORA is also available to borrow ebooks. Watch for information coming home on how to access it or stop by the library and Mrs. Currie will be happy to help you.

Have a great summer full of adventures and fun with a little time for reading!! See you in August!

HPSD Board Priority -

Indigenous Education Programing

How is our school achieving these outcomes?

We are very fortunate to have Carrie McGillivray 2-3 days a week at CJS to help support our students in their Indigenous Education Programming.

Through the 2025-2026 school year Carrie has offered lessons such as:

- National Truth and Reconciliation Day in September - Orange Shirt Day
- 7 Grandfather teachings
- Seasons
- Protocols
- Smudging/ Talking Circle
- Rock your Moc Contest in November
- The Giving Tree - Metis Story
- Metis Dot Art
- Indigenous Arts and Crafts at Christmas
- Storytelling and Legends
- Plants with guest speaker - Chantelle Gray
- Goota Desmarais -Inuit Teaching with grade 2 -Janauary
- Ribbon Skirt Making
- Culture Club
- Indigenous Pink Shirt Day in February
- Building Indigenous Travel Devices - The Travois -March
- Making a talking stick after the teaching of smudging and talking circle
- Winter Count
- Earth Systems in Science - Indigenous Perspective
- Teepee Teachings
- MMIW Teaching - in May
- Moose Hide Campaign
- Plant Walks
- June - Indigenous Day
